

THE SOVEREIGNTY OF CHRIST

Intro: 1. All that God has done, is doing, will ever do, He does for this purpose: that Christ may become preeminent, be first.

The Holy Spirit indwells us, was sent, to GLORIFY JESUS, make Him first.

God has appointed a day of ~~Judgment~~ Judgment at which every knee bow, tongue confess, Jesus is Lord!

2. God will never abandon this purpose.

3. Explains, unravels many of the mysteries of life. Like a tapestry seen from the wrong side.

4. Someone must be first in your life, there is a preeminent person in your life. Probably YOU!

5. It's usually at this point that man rebels against the Gospel, because it demands we abdicate the throne of our life, turn over the steering wheel to another.

⇒ In every heart there is a cross & a Throne

X the presence, purpose of life = must be in a right relation to Him = an atomic watch, accurate but if set wrong, always wrong.
