

GIVING FROM GOD'S HAND

I Chronicles 28 & 29

INTRODUCTION: God's work often fails in our hands because it is not ^{done in} God's way. The purpose of this study is to determine God's pattern for giving. I Chronicles 28 & 29 explain the manner in which God's people made abundant provision for the building of the temple.

I. REVELATION: I Chronicles 28:19 - 29:1

what God wants done?

II. RESOLUTION: I Chronicles 29:2-8

III. RESULTS: I Chronicles 29:9-12

IV. REPLAY: I Chronicles 29:13-19

CONCLUSION: Poor stewardship is natural. Christians should be led to give supernaturally.
