

## Preaches that Evangelizes

- the greatest passion a man does when he preaches the word.

### I. Preaching That Eclipses The

Preacher - 2:1, 3; 1:17

of 1 Cor 4:5

- vs 25-27; 29

James Denny quote

either eclipses the preacher or the savior -  
Don't upstage the Master

### II. Preaches that Emphasizes the Cross

2:2; 1:18, 23

- we preached X crucified = Perf. Part. He is always in his character as we crucified -

- Very little True Gospel preaching today.

What is the Gospel - 1 Cor 15:3

1 - It is an exclusive theme = ~~not~~ I determine to know nothing, not "preach nothing" - His preaching wasn't separated from his life - a man may preach nothing but X but he knows everything else, 100 different interests.

- didn't try to make his preaching pleasing or palatable.

2. It is an inclusive theme = in that nothing is nothing - laws require a sign = The cross = the wisdom = X is wisdom & .
