

1 John 3: 8

It's: what's our world coming to?
a good question - reminds me disturbing -
to see what our world's coming to is depressing,
frightening, disturbing = true affirmation
to dispell the despair.

I look ^{what} ~~who~~ has come to our world
~~He came to demonstrate & to love~~
1- He came to demonstrate & to love
(1) to make us ~~like~~ His sons v. 1

II Take who has come to our world (and we are
1- He came to ~~deliver~~ deliver us from
sin - vs 5

2- He came to destroy the works
of the devil v. 8 = what are some
works = lie, murder
murder - death - evil - unjust - pain
murder - free again - sin of Satan
sin of @ -

II - Look who's coming to our world
v. 2

- 1- He shall appear
- 2- we shall see Him
- 3- we shall be like Him.

It's: /darker: "used to say 'unforgotten' going to
drop, but stopped out of respect for days -"
