

( Peter 1:17-21 - sk Talor } Sisyphus -

Intro: Sisyphus 1- Life empty 2- Inherited 3. Nothing that we can do to change it. 4. Only X can liberate us from no person & a meaningless life

Caesar in chariot - slave whips in ear, "this too shall pass."

I. a Violent Death - not just death 1. Blood -  
flood shed - 2. Precious blood - 6 Costly = like a  
ransom - not a 10-mercant salvation 2. Highly honored  
- Bankrupt heaven - Offensive = Offense of The  
Cross = Church growth - say nothing that makes  
them uncomfortable - Johnath Edwards

II. a Vicarious Death - 1. Isaiah = isa 53:7

1. Innocent a - w/out inherent flaw b - w/out  
~~eternal~~ eternal defilement 2. Sacrificial, Substitution  
"I remembered you at Calvary" 3 - an act of worship  
"O's finest hour." 4 Weakness = lamb = O  
saved us by His Weakness.

2. Foreknown from Foundation of World: Perf. Part

O = Redeemer first, the Creator = 1 X's sacrifice  
is seen as eternally present = why O.T. people could be  
saved. 2 not "Plan B".

2) Salvator. so glorious = O deemed it better to  
create & redeem, than not create

3 - Manifest = "for you" = included individual -  
Cor. Part

III. a Victorious Death -

1 - For Him = 1 Raised 2 gave glory = Crucifixion,  
Resurrection & Ascension & Exaltation -

2 - For us = 1 Faith 2 Hope → Cf w/ Sisyphus

Conclusion - vs 17 - live in fear
