

1 Peter 3:15 = Some things I don't do, some things we have to take care of - "Make X Lord in your heart" - you have expressed I think as Savior - now pass on to the implications of his lordship. Real + unrevald - living by "values" as far as his control is concerned

I - This is smelly you do - you must have a formation service in your own heart -
- most contradictory sentiment in Bible -
"not so, lord."

- all - suit in Dever & tithing.

II - Can't Enthroned X w/out Dethroning Self -
- a constitutional about = X is King but I'm Prime Minister

III The Area - in your heart = ~~inner~~ an inner victory - many are practicing victory on the outside when we have no victory on the inside =

94 - 'didn't see the party on the inside.'
- we counterpict it

IV - when this happens -
1 - Free from world's intimidation - we let the world intimidate us - scare us out of living for X
Paul - none of these things move me
Bunyan
2 - ~~let's~~ readiness to witness =
3 - a clear conscience - when we move X in, he gets rid of the sins
over

"This prison very sweet to me
(Hath been since I came here;
& so would also hangy be,
if you didst then appear!"
