Text: boin about as warin lion -

Subject: Devour

1 - word to ~~Best~~ zoology - there are

3 things as w/ prey

① Leopard wants blood of prey

② Jackal eats out the vitals, intestines.

③ Lion licks bones clean

Your adversary = He means to lick

your bones clean - nothing left but

a skeleton or bad story or tragedy.

He's not after your blood only, he means

to finish the ~~guy~~ job.

Devil rather lick bones of a preacher
clean than anybody else.
