

- IV Chrm 7:13,14 - Zytis morgan & meyer visit Cardiff during Welsh Revival, 1909 - "Where is the revival?" to policeman -
- w/ gloomy face, hand on heart - "It's here!"
 - Revived is a personal thing - & doesn't recover places, buildings - just people
 - The Bible is a book w/ our personal address on it
 - Revival is right use of appropriate means
 - Revival comes from God, so it must be on His terms
 - If we do & things, & will do 3 - & limited only by His people.
- Inspired order -
- I - Humble Self - mortify - humility = when you think you've got it, you've lost it - Bible doesn't tell us to pray & humility = we are to take care of that ourselves.
- characteristic X = April - "This mind -" attitude - meaning: to vanquish, bend one knee - voluntary subjection to Him - "who shall be fit?" - "Blessed are poor in spirit"
- admission of failure - true sense of unworthiness
 - Personal subduing of self - life

- Welsh 7:1909 - Evangelist visited meeting = Come to learn the secret of this revival - Evan Roberts - "there is no secret - Ask & ye shall receive."
- II - Pray = 10 Hebrew words for prayer - different shades of meaning - here "interceding on behalf of others" - 1 Sam 12:23
- 3 types of Prayer: (1) Petition (2) Communion (3) Intercession
- longest prayer in Bible - Jesus John 17 was intercessory prayer -
- Simon Peter - "I have prayed for thee" - Moses Abraham
- we are priests of God = interceding -
- Isa 59:16 - God marvelled that there was no intercessor in the land - Ezekiel: one to stand in gap -
- X meant prayer to be power by which church does its work.
- pray for kings & those in authority / not to pray for others to a Son
- "If" - The hinge of promise
- 13 - "If" of judgment
- 14 - "If" of Revival

MacArthur Board Baptist Church

- III - Seek Face = Blessings of His Presence, approval, communion
— implies His face turned away in disapproval — a spiritual distance from D.
— sense of His Presence, His favor
— The movement must originate in us — Seek - effort

Heb 11:6 - "reward of those who diligently seek him"

Jer 29:13 - "find me - when w/ all your heart"

To seek D's face must stop seeking other things
— Some things hide His face -

- IV. Turn from Sin - not enough to be convicted,
~~most~~ if genuine, must confess & forsake — severance —
Prov 28:13 - a definite change
— In every age this has been D's demand -
— Joshua 7 - Achan in the Camp -

You can't seek D's face & save your own
