

INTRO = a heart beat away - fixed state
reward - becomes more important than
living or dying

This isn't a judgment, we believe but
his works = I was judged at Calvary -
Jm 3:18; 5:24; Rom 8:1, 34 - not salvator but steward

Take up
in eternity
off in time

a period of probation
Freeze in present state
being examined under life

We know our
thoughts before
we think
them

I - a Time of Revelation - ~~appear~~

1- appear: displayed - led into life - to be
laid bare, stripped of every outward facade of
reputability + openly revealed in the full + true
reality of our character. Heb. 4:13
- have our real character disclosed
- turned inside out.

2. Manifest - ~~is~~ Declare - to show its
True character = of what sort, not size
Transition from probation but not removal. your prayer for
lost one + I says if you'll get 100% right if we I'll have
him, if not he'll go to hell - that's exactly what I says.
wouldn't that car run to 9 yds - I won't trust power to important

II - A Day of Reward - 5:10 = an examination

a fire test of our works. X is going to single you out.
1- 5:10 Individual - "everyone" each, soul
by soul - In church we're lost in the crowd
2) Receive = "to receive back, to receive what is ones
own" our heavenly bank account. Matt 6 - treasure

3) receive the things done in the body
4) notice everyone will receive smth, = ~~not~~
booky price -
5) Body = not sinful, evil = but worthless
rite.

only one reward

6) Life as a whole = not isolated good deeds
- not like prizes in a carnival = a prize for each
good deed
