

1- Prayer is the Battleground, it is the
weapon = in prayer we release O's
power, direct O's power, send Jesus
to men's hearts, cast down Satan's
strongholds, bind Satan

- Preaching, witnessing, soul winning
is simply going out on the battle
field & picking up the spoils of
Victory - The victory won in prayer.

= all we're told to do after all that
getting ready is to Pray =

It is in prayer you see the greatest
opposition, prayer requires more, demands
more, does more = Satan knows, even the
Kings admit, the power of prayer.

2- It is a spiritual war against spiritual
Enemies = if our weapons were of flesh &
blood, we would use flesh & blood weapons -
2 Cor 10:3 - Jesus "were my kingdom of this
world, my disciples would fight."

2
The call to battle is a call to pray —
later when we enter into battle — so
if I am to stand praying I must
be properly equipped.

6 - The armor - full armor - put on

① Gird w/ Truth

② Breastplate of Righteousness

③ Feet shod w/ preparation of Gospel & Peace

④ Shield of Faith

⑤ Helmet of Sal

⑥ Sword of Spirit

Since Prayer is
the warfare, ^{man}
we need to be armed.

Remember, in this battle we aren't trying
to defeat the devil, we are appropriating
his defeat — bringing his feet up to date,
applying his defeat to certain areas.

Praying must be authoritative, declarative,
confident = bold assertions of faith —

Evangelism is going out on field of battle &
picking up spoils of war
