

Xρηματωαι - to be called or named

Xρηματιστω - of primary significance, to have business dealings w/ - "they were publicly called Xans because this was their chief business."

- originally = I transact business
- I take my name from my public business
- I receive a name, & am publicly called

Denotes public action - to be active under this or that title, & appear publicly as something

Calling, to denote ones business

They were called - they did not assume the name ~~themselves~~ themselves, the centralizing pt in their lives.

(Ken - Pedro Chron = my vocation is being a knave - > Pedro to pay expenses)

- The name was a ~~virtual~~ title, distinctive title, naturally chosen from the recognized & approved devotion of the disciples etc.

- The reports v. 22 would raise doubts & questions - even problems.

- vs 23 - Had seen the grace of = surprising mercy = when we see men of every race & class gathered into one body.

First called them believer, disciple, and afterwards do they earn the title = Xan; hold off on this name till they prove themselves.
