

Children of parents, whether in the home or not - whether they are right or wrong is not your responsibility, your motivation should be obedience not your knowledge of right & wrong

- Adam & Eve weren't to live according to their knowledge, good & evil, but obedience to what I said - as long as they were obedient, they didn't need to know right from wrong -

- Satan's desire = to get us to live according to our knowledge of right & wrong instead of according to I's will.

- X in Gethsemane = The Supreme thing

- no explanation to children - just obedience

Matt 7: 21-23

↓ if they learn to question you, they'll question I.

Meaning of Submission = I has placed us all under various authorities, we are submit to those who have the authority over us.

- after we have fully obeyed, our Lord will ~~deal~~ then rise up & deal w/ those who disobey - we must let I deal w/ those who are in authority over us when they go wrong.

II Cor 11: 5, 6 - Caesar

- He who resists or rejects I's delegated authority rejects & insults I's own authority.

- we sin against I's authority in two ways - by failing to submit to it, & by failing to Exerc Exercise it.
