

Col 1:12-14 - "Qualified us to share the lot of the saints in life." - make us fit, competent -
self - new in fit worth, value - no credit - woman said
"I'll qualify you." signed her name - on her merit -
she was liable for it - what X has done for us,
take not credit card & share in all the store's goods -
only ~~part~~ in X, it's already paid for.

- Partaker = part assigned = a particular place for each
by us - X has a special place for me & you.

How did He qualify us?

I - Delivered us -

1. Power of Darkness - The realm of Satan, tyrannical
rule - Power = moral influence = under
influence of Satan's tyranny.

2. Rescue - Deliver = "to pluck out of danger."

Second Step

II - Transported us = remove from one place
or country to another = In ancient world custom
to take pop. of defeated country & transfer both
stock & land to other (Babylonian Captivity)

1. This has already happened - already free

2. The inward change of making us fit is
accompanied by an equal change outwardly
in transferring from darkness to light

3. Kingdom = rule, authority of X -

III - Redeemed us = men sending away of
sins

Something done for us we couldn't do for
ourselves
