

Col 1: 9 D - Filled w/ knowledge of D's Will  
Paul's amazing ability to discern need in prayer.  
He understands the principles of spiritual  
life = instead of praying that they will have  
bigger budgets, buildings, etc.

- we would pray for more baptisms, etc -  
But ignore the root, foundation of such  
things = we are desiring results w/out  
attending to the causes = Van Clutem,  
Jimmy Cunniff = hours & hours of unseen &  
unheard practice =

- We are such pragmatists & have been so  
conditioned to measure by visible results  
we are impatient w/ the spiritual training  
necessary:

Why? Ignorance, impatience  
1. w/ unexpectedness  
- this  
2. w/ importance  
- this  
3. with time

- The foundation of it: filled w/ knowledge of  
His will = fruitfulness, etc does not come  
from classes, efforts, etc but from being filled  
w/ knowledge of will -

will of D = Standard of life = the one facing what we  
ought to believe & do; the way of life of faith & manners -  
- dominated by = 1 John 5:14

- to the level of their capacity = "filled"
