

Jesus & X - Gal 1:23-24 - John = what happens when a man really sees Jesus = "Let me follow you." Servant
"Made a minister" = Encountered someone, experienced something - impact - a servant = Jer. "Fire in my bone"
Lunar - "I'm scared, who can I but speak." Paul - "What is me?"
Acts 9 "Can't but speak what we seen & heard" 1 Cor 1:3

John
I - Suffering for Jesus v. 24 - Jesus predicted, X can experience it - Phil 1:29; I Peter 4:12 - Two
attitudes

1 - Body for it = when Jesus becomes priest - II Tim 3:12
① fill up sufferings of X = X left some suffering for us -
offliction = persecution, not His redemption = Father said,
"It is finished" but word says "not enough" - Rev 1 -
"Why persecutest thou me?" Satan, would will never get
its feel & persecuting Jesus - we are his body - IDENTIFIED
W/ HIM

② for sake of Church = build up body - THE SUFFERING
of Obedience is redemptive - & never saved anyone w/out
suffering - Jesus set the pattern.

2 - Rejoice on it = a man's conception of Jesus
determines to what extent he will suffer for him
"NOW" - at this full view of X

II Kings 7:9 - Greatest crime of desert = knowing where water is
& not sharing it.

II. Sharing Jesus v. 28. "Every man"

1 - we have a right = preach = note of authority,
Matt 28:18-20 - ① Every man
② warning
③ teaching

② I - we have a reason - present every man
perfect - "must go & empty handed." Demos,
Teacher = THIS IS AN ATTAINABLE GOAL!

III - Strengthened By Jesus v. 29

1 - Human Effort = not lazy, idle

2. Divine Energy

labr = athlete in training

striving = contending w/ obstacles

- source of effectiveness given to everyone
- not idle = tennis racket
