

Gen 2:1-10 - turning what I know is to think of the  
 Great miracle of history - nature "Why I believe in G - nature  
 1. 6.000 on its axis 1,000 P.M.H. of 100 - days & nights 10 times as long -  
 in turn neg. & freeze at night 2. Sun - surface temp. 12,000° -  
 1/2 - we would freeze, 1/2 more, roast 3. slant earth - 23° of  
 different, vapors from seas would ice over the continents -  
 of norm were 50,000 miles - tides so great, continents submerged  
 twice a day 4. Crust earth - few ft. thick & no life, no oxygen -  
 5. thinness of atmosphere - thinner, the millions of meteors  
 would fall on earth & destroy it.

6. Q in History - entered page of history - Red Sea - Jericho -  
lions, rain - ~~not~~ defeated Napoleon w/ snowflake &  
 saved Eng w/ fog at Dunkirk - Spanish Armada w/ fire

7. Q in X = But not the greatest - created when He  
 saved my soul - finest description of His miracle in  
 our text. Because of 1. Deal in sin.

I - What I Was - Just cemetery & died of sin - Gen 2:17, Ege 18:14,  
 Rom 6:23 - Rom 5:12 2. Physical death is outward & passing of  
spiritual death - Echo - lightning & thunder - man becomes  
physically what he is spiritually

3. Law - sin brings death - contaminated sex - destruction - when a  
 Xian sins something dies inside

4. Characteristics = unconsciousness, helplessness (flowers on a grave)  
helpless - worse & worse unaffected by scorn  
dying crust

2. Devoted to sin - vs 2 - Devil doesn't coerce us - we sin because  
 we want to Nature = Physical but gotaway to physical law

3. Damned by sin - vs 3 - by nature - not what you do  
 but what you are Lived in laboratory of perverted  
thoughts, endless

II What G Has Done For Us = most lovesome work in D.T.

1. Loved us - David & Absalom, rich in love -  
Love not blind - trif, women, Judas (Woody &  
 the low of G sicks to take sinner's place that me, may live Mockhouse)

2. Loved us = Ran us may live

3. Lifted us = vs 7 - take Hell's give Heaven - Heaven a family  
place

The physical Resurrection is an illustration of what G does in Sal.

III G's Purpose = why G did this - vs 7, 10

1. To show the world His Grace = Trophies of His Grace -  
See His image in us John Barton's Trophies  
John Wesley = "He ain't a man" - G Bless you - "He is a man - like G."

2. Walk in Good Works - you write last chapter by  
decision - must face it!

eloquent proof of G's Power
