

pm 5-18-21 - Wrest = Symptom of the Spirit-filled life - these
in consequence of being filled & condition for remaining filled.
- Submission - one of the most important & least understood
truths

What does this verse mean? What is
I the meaning of Submission = Rom. 13:1, 1Thm 14:11

1- God has delegated that authority - God has placed us all
under various authorities & we are to submit to those
who have the authority over us. School, Home, Church, Govt

Rom 13:1; Heb 13:17; Titus 3:1
2- God has established this system of authority in order to
manifest His glory. When you encounter authority you meet God.
Luke 20:9-16 pharisee & vineyard

3- Two ways we sin against God's authority -
① By resisting His delegated authority = some imagine
they can obey God directly & disobey delegated authority -
2nd - calling policemen Pigs, Parents, Teachers, Laws.
3rd work & Home = detested place in authority so as to show His
restraint

TO SIN against delegated authority is TO SIN against God

② By failing to exercise authority
2nd - Eli, slacker father - restrained not his sons.

II- The Nature of Submission - "in fear of God" out of
reverence for X - not the person but the position.

1 Peter 2:13 - Because God asks you to - the worthiness of
the authority doesn't matter

- ① David & Saul ② Paul in Acts 23:3, 5; ③ Slavery
- ④ Jesus at Temple ⑤ Moses marrying Ethiopian = Miriam
struck w/ leprosy ⑥ Noah & Ham

2- after we have fully obeyed, our lord will then rise up & deal
w/ those who disobey - we must let God alone deal w/ those in
authority over us when they do wrong. II Cor 11:5, 6 Caesar

- whether the one in authority is right or wrong doesn't
concern us, since he has to be directly responsible to God. The
obedient needs me to obey - The Lord will not hold us accountable
for any mistaken obedience, rather he will hold the
delegated authority responsible.

Exhortation = Render unto Caesar that which is Caesar's =
