

Eternal Life - Human Division & Divine Division - horizontal & vertical - social & spiritual - How's How's not - Divider is Jesus -

- Dis + testifying - taking witness stand in court, human heart & give evidence concerning His Son - water (baptism) Blood (Cross - sm, D) Spirit (Pentecost - vindicated claim, Jesus) all this D says proves Jesus is my Son & should surrender to Him.

- must weigh for yourself evidence & decide - & if after hearing it, reject X, call D a liar! - witness: not that life is in Son, but D has given - or issue not a doctrine believed or denied but life received or rejected - Burden, D's heart is we might have this life - Eternal life - what Jesus can do for you

I - This Life is D's Life - what is it? - living forever? No.

2. Fulfillment of man's destiny - I am what D intended me to be - we are not what D intended - sin, selfish, lying, hate - get - olds = same name, feature but ruin, right = new transmission

3. Can't lose it - just as eternal as D - unchangeable as D - even grave can't affect it - I have now all I'll ever have but w/out hindrances of flesh. Sin = less than D (Rom 3:23) being less than D (arrow)

II - This Life is D's Gift - intended us to be

1. Eternal only apply to D, if we earn it have to become D - just as easy to become D as it is to save self ② - Rom 6:23 = all we earn is death & hell ③ - Going up on downward escalator

V - Life Life Received by Faith = not D -

1. universal & demonstrative = available to anyone under any circumstances - Baptism = no water = nail in barrel ② Faith doesn't save - Jesus - I came by plane, not faith, faith put in one plane - (over)
