

Intro: Prayer & always anonymous  
Two problems in prayer - How to pray &  
What to pray for = the manner & the content

### Faith Expressed thru Prayer

1. Faith encourages, enables us to pray.
2. Prayer expresses, exhibit, give evidence of faith -  
~~was~~ apart from faith, no true prayer  
we pray, not hoping smthg might happen, but because we  
believe smthg will happen.

### Why faith?

God doesn't need faith - Faith isn't for God, it is for us - God doesn't need our faith. We need our faith - it is for our sakes - to put us where God wants us - place of dependence upon God - the creature position = put man in his place - puts God in His place.  
- sets the level & limit of our belief → blessings.

"Know what you believe" - as we believe smthg & didn't know we believed it - you can believe smthg you don't know.

John 14:17 - whom no one would receive - <sup>in garden they seized Jesus but not Spirit</sup> lambans = seize, grasp, take hold.

Q.17. But you know him = it is dwelling w/ you & shall be in you = speaking of himself "you know him - as me."

Anti - Satan = always against - always negative, always  
Anti - fundy = protesters & dissenters -

you don't have it until you give it - Luke 6:38  
? on 9 = seed
