The Secret of a
Triumphant Faith

Rm 1:17 - withholds from faith to faith
"The way of faith that leads to greater faith -
- from one degree of faith to another -
increasing faith - a growing faith

you can't have faith to walk w/ G, build an
ark till you have faith, vs 3 - can't have
faith vs 3 till have faith vs 2 -

vs 2 - is the basic degree of faith = receiving
a witness from G - all faith begins w/ a
revelation from G

vs 3 - this revelation received by faith leads
to the faith that grasps, perceives, understands
the revelation

Faith that receives the revelation

Faith that perceives the revelation

Faith that apprehends the revelation - acts
on the basis of that understanding

"Measure of faith - progression of faith"

"According to your faith"

Some try to jump to the fullest
requirement of faith - other issues - I can't
do that - no - your faith must progress &
grow

Understand - we understand what it means,
signifies, the implication of the truth -
becomes real, important & vital truth
becomes relevant - takes meaning

for us -

103 - is the launching pad for the
heroic acts of faith - it is the secret -
it is the gate thru which we move
into heroics

The Growth of faith -

Abraham couldn't have offered
Isaac first - G was leading him from
faith to faith

Faith from Revelation: Abraham saw my
day & rejoiced - How he was able to
offer Isaac - He knew that G's
purpose would be fulfilled & that
requiring Isaac - so raise from dead if
need be.
