

Act 4:1, 2; James 2:14-26 (22-23) Faith is no coin, no ledger, spending money, standard of exchange - I need something & exchange by faith for it - abe needed righteousness - he brought his faith & we his faith & credited on account gave as righteousness -

- Eventually, you get in xian life, you get by grace thru faith -  
Soul is like a House - the house that grace built  
 - Heb 11:32 - when faith when it's goal it is credited to our account:  
 - For some of us nothing is going to happen in exchange - fire, excitement & smoke, disappointment  
 How? one possibilities remain just possibilities

I. There must be cooperating works a serious case of frustration

1 - works Expressing of Faith = Faith + works not opposed - Faith not sitting down & believing - not works as opposed in power of faith, but works issuing from faith - Faith & Sm, Inc = a sm is works = True faith issues in works - Faith is ACTIVE in word & > Heb 11 = they all did something, acted

2 - When was abe justified? - v 21 = when he offered Isaac - when his works acted in faith

3 - What is Faith? Heb 3:18, 19 - obeyed not, believed not - FAITH IS OBEDIENCE  
 B - John 14:21 - you may believe what you say = you may believe as much of this book as you are obeying. Faith is not a lazy man's cop out.

C - Jesus says of hear & don't obey = A fool  
 D - James say you are Self-Deceived w/ revelation comes Responsibility = the condition

of Additional Revelation & Obedience to present revelation -  
 Faith is Expectation, Ever urgent to works - not working, hoping something will happen, but because something is going to happen!

II. There must be corresponding works - it chopping down trees

to clutter the man - The works must relate to what I'm believing & for. weyemulla " 22 = Farmer believing & not sowing.

1 - For every belief there is a corresponding action to complete that belief -  
 1) abe believed & would raise Isaac = corresponding was to sacrifice  
 2) Rahab believed nothing could stop Israeli & she joined them.  
 3) James 2:24 - not "I will take care of you" - GIVE!

2 - 22 - 1) Am 8:28 - Praise, thanksgiving

2) Reaping - Sowing = Harvesting souls w/out sowing - farmer sitting around - "I'm believing & for a harvest!" - no plowing, no sowing, no cultivation.

3) Prov = "train up a child" - yet he's over at home w/ children

Eph 6:1 - we bring them up

4) wife + hot husband - 1 Peter 3:1

5) Needs + tithing - Phil 4:19 - Read verses preceding

Tithing + offering = rob &

6) fulfillment = meeting w/ God in prayer & word

 \$400 in pennies Feb 76 prayer - Luke 6:38 - \$50 to missionary
