

Notes on Hosea 5:15 where was Ø gone?

"til they
v. 15 - seek my face" - maybe they won't seek his face. Oh,
yo - they will: in their affliction they will
seek me early. you'll seek him - after the chastening -

Ø 'll talk your language - the language of judgement
my language some understand - Ex. Garden of Eden:
Ø said if you eat you die, why put it negatively?
why did He say, "if you obey, I'll bless, etc." He
spoke in terms of judgement 'cause only language
man understands - Ex of parent & child =
tell them to be good, etc - But usually have
to say, "if you don't - get a spanking."

Mom said Her Dad keep razor straps hanging
on wall. Everytime we tempted to do wrong, just look
at that razor strap -

You say, "I don't believe in that kind of a
Ø!" No, I don't blame you. Because you're
living in sin, etc, don't want to believe it.
But when Ø says one thing & you say another, guess
who I'll believe?

Ø not knowing Ø has departed = Samson, also "gray hair
on head & knoweth it not." unconscious decadence.

Chapt 6: 1-3 - Return, Revive, Re-learn, Rein -

They didn't know it - didn't change anything =
they continued w/ their worship, ceremonies, etc =
