

Sin that Quak O's Heart - Hagar

Intro

I. Treat Lightly O's Word 8:12 - "stranger"

II. Take Flippantly O's worship 8:13

1. The Priests could eat sacrifice, but not people. Here everyone is eating sacrifice. Sacrificed only to Eat - worship became a means of satisfying fleshly appetites, material & physical benefits.

III. Turn Carelessly to Other Gods 8: 3, 4, 14 of 7:11

Seek earthly help, rather than O's help.

Mislead O

IV. Unstable in Their Righteousness 6: 4

O's Difficulty

1. godness: bow me neck, submission

2. morning cloud & dew ① beautiful

② useless = won't produce harvest

③ short-lived = heat of day dissipates it, drives it away

V. Forget O in Day of Prosperity 8:14; 13:5, 6

1. know you in wilderness = when no one else would admit knowing you

2. 5:4 = leave O out of daily schedule
