

Hosea 6:13-15 Alan Redpath - 1-1266

1-moth 2-fine

in 15 = I'll leave them alone — until — withdraw
sense of His presence — it's His last resort —
if they won't learn any other way — The
door of return is wide open —

6:1-3.

vs 4. The struggle of D — for a soul, for
a nation — "what shall I do w/ thee?"
Can understand a man saying, "what
must I do to be saved?" But here is
not the difficulty, a man also can't
find D, but difficulty is w/D — what
can He do to man —

- I'm never presents a difficulty w/D.
He can forgive it.
- Goodness presents a difficulty w/D!!
what is goodness? Bending the neck,
submission = goodness, mercy, kindness
are the outcome of this.

Hosea in 6:1-3 calls for repentance, then D
breaks in & says, Hosea, that's the trouble
w/ this people — they're always coming back,
repeating, but it never lasts! \Rightarrow
D's difficulty = not w/ sin, but submission,

why not last? Because I refuse to give up the principle by which I live my life. I will be good! - Spiritual pride - can't even live a spiritual life successfully, that's why you got saved. & you can't live a successful spiritual life - w/out the power H.S. taking place of your own efforts.
