

The grand truth I is seeking to reveal -
"I am I - beside me there is none else."

How

I - By Making His Enemies His Servants

- v. 5 1- For His people's good - to free them from bondage - death - Paul's Dream Phil - James!
- v. 6. 2- People attitude = submission
- v. 14 not striving
- v. 18
- v. 21 - twice 1- advantage of His people
- v. 22 2- accepted by His people = the hardest thing about this is not getting Cyrus to do it but Israel to accept it

I - By Making Servants out of His Enemies
Cyrus - Joseph's brethren - Paul's Thorn -
X on Cross - Tribulation produces patience -
- Early Church flourished thru persecution

II - By ~~making~~ Confusing

III - By Leading More who Turn to Heim

- 1- Joseph is seeking
- 2- Involves a separation = from other gods
- 3- Include a submitter = "let yourselves be saved"
