

Conditions for bringing the world to G -  
Jer 4:1, 2 - John Wise, "The world is my parish."  
G's too - concerned w/ entire world - why he  
chose Israel? - not favoritism but that  
they might bless entire world, the channel  
thru which G would reveal Himself to  
world.

- I always reminding them of this  
purpose - but few ever really saw it -  
they failed ~~and~~ so I cast them off -  
not because they failed to win the  
world, but because they failed to try!  
to see it as their concern -

I took for the church, the new Israel  
is the same - here are conditions for  
bring world to G -

Notice - not witness, giving, etc - but  
getting right spiritually - then we'll  
do whatever is necessary to win the world.

3 conditions, one great Promise.

1- Truly Turn TO G = twice - renounce =  
roam, vagabond - picture of us - moving  
from one interest, program to another, never  
settling on G's real purpose

2- Puts away whatever incompatible w/  
worshipping Him.

3- Lives on real conviction of G's  
presence in their lives.

Then will Israel fulfil true destiny in bringing  
all the nations to G,

The nations will be won, not by some miraculous  
flow from G, but by living testimony of changed  
lives.

Promise of 3:17

Our wholehearted repentance will be  
a blessing to selves & to whole  
world -
