

No 14: 12-14 - Intro if lts dont work, dont call
 abstract or failures - there is a terrible discrepancy, gulf,
 between the promises of X + the experience of the church -
 vs 12 - Early Xians experienced this = we're not even
 duplicating X's works, losing ground.

cf - to ~~act 16:17~~ - Jno 6:46

Two does refer to
 not build, organization
major shift

- 1- First, see that this is to be the normal experience of Xians
2. continue in my word, & said = we haven't continued in His word - read next vs - "and --- vs 13"

Ex actually meant Prayer to be the Great power by which His Church should do its work

"The Church isn't promised tasks equal to its power, but power equal to its tasks"

I - whatever is the measure limited by Ob will = I don't want it
 Big enough to worry about, big enough to pray about - well
 everything in life, man is a concern in the heart of G. with parents

II - In my Name is the means

- 1- by authenticity
- 2- in harmony w/ His nature
- 3- in His Sanctification

We actually come in the name of
 our goodness -
 sign "Jesus" at bottom of
 petition

Stand at
 Fair

The Greater works of vs 12
 are actually His working
 through us.

III - I will do it in the night - I actually
 works in response to our prayer

- I can do more than my praying that He
 can than my ~~praying~~ working

- 1- 4,300 budget
2. 2000 tour money
- 3- I am going church

a- July, and your marriage

"As we are praying Ob is doing"

9- what is a message from heaven that Jesus would
 go see that person - here it is - vs 13

IV - Ob's Olay is the motive

if we really believed
 in prayer, we'd spend so
 much time on our knees,
 people would think us crazy
