

Two Things Needed: 1 - a revival of
praying 2 - praying for revival

whatsolver = an way approach of a
beggar in salvation but in prayer we
approach as a son w/ family rights!

- It is blasphemy & slander to pray
w/out expecting a definite answer

- disciples weren't convinced of Jesus
resurrection till saw the resurrected
body - not convinced of power
prayer till experience it.

Intro = Greater works = modern
prophets on Carmel - "The God who
answers by numbers, let Him be God!"
- challenge 450 prophets, state churches

The night = doing our own galloping
- doing what comes supernaturally

Intro: when I read 1 Cor 11

- two classes, men study my Bible =
Liberals & Orthodox dispensationalists who
say John (4:14) for disciples only
