

Death a great teacher - Teaches us
true values - no death, wouldn't
appreciate age, sickness, health
old age, youth

Teaches us 3 things

I - Not the Body Is not the

Soul - True sense of value

- 1- Death is certain & sudden
 - 3- never welcome
- But a diamond

II - Time is not Eternity
Silver Lamer, great Southern
poet dying - I have a 1000 remembrance
poems in my heart - when our time
comes, a 1000 things left undone -

not time for anything

1- life a preparation for more

2- give time to priorities

things to prepare us -

1- word 2 Church 3 Xmas

4 Cross

we are not O = capturing

III - Soul - master, fate = O is - the
say time appointed
John Lennon - both - many years ago I
triple orbit - pray
mind my place at O - not afraid
