

July 20, 21 - VI. kept by James X, O's love  
TO us

Keep yourselves in the sphere of His love -  
abide in the region of His love. His advice =  
stay in the sunshine - of Prodigal Son  
keep self in place where conscious of His love -  
3 principles tell how this is to be done

I - Building self up on most Holy Faith  
- self-effort - suggests effort, continuity, stone  
- gentle-effort - upon stone = not pulled grown  
in an instant

II - Praying in Holy Ghost

Rom 8:26,27 - Prayer which is  
directed by the Holy Spirit

III - Looking for the mercy of God

- the mercy of God is His gracious disposition  
to help us in our distress  
- looking = expectant longing
