The false teaching that  
Jesus was just a man  
of choice -

But if born a virgin,  
conceived by Holy Spirit,  
must be Divine - This  
shows He came from God -

His origin was God - His  
nature was Divine.

Why do men attack X? For  
the same reasons Pharisees  
did during His  
earthly life — **who taught you**

Because X emblemizes **how to talk -**  
us - His holiness, difference,  
Challenge, demands, Claims  
upon us — makes us  
uncomfortable — if we  
can refute His claim, teaching,  
nature, knock props from  
under — destroy His right  
to tell us what to do —  
if just a man, then tells  
us — not different —

loses our conscience —  
Rather than worship Him,  
we Crucify Him, only  
2 things you can do w/ X —  
Worship Him or Crucify Him!
