

# Life's Golden Opportunity

Intro: "my 6 minutes."

## T- 22 meeting Jesus - a face to face encounter

1 - a special moment: Jesus knew that beggar would be there ←

24 - fish w/ coin, denby, not under a tree  
1 - x's appearance  
2 - x's availability

2 Greatest, life-changing event: Peter, Paul, moody Sunday -

Mel Fatter - mel Fatter - drunken barber - shows pump feet of dead baby - suicide  
Lodge = Pacific Garden - with 13th Blvd 97

3 Taking nobodies & making them into somebody →

4 many beggars along that road, but

But sternalized because met Jesus

24 Cypri Smith = one little gypsy boy saved - met a feature

3 Greatest Golden Opport. when Jesus of Nazareth asked -

→ What will you that I should do for you?  
Do you know yourself or will as Bert?  
What do you consider your greatest need?

4 Surprise x asked this: surely he knew.

5 Forced self-amenit = Vocalize his consciousness of need

6 I knew what he wanted - Do you?

"Jesus stood still" Greater miracle than ← when sun stood still - when Jesus stops something is sure to happen!

Bart recognized X was his golden opp.  
Not as blind as the rest.

- Personal Cry = Have mercy on me!
- what can I do for you = Putting key to treasure house into the beggars hand,

II - There's always something  
standing in way of taking  
advantage of Gold. Opp.

"- He rebuked him - keep quiet."

No one can come to X w/out someone trying to  
stop him. ←

1. Throw aside cloak - you have to abandon  
something if you are to come to X

2. what is it standing in your path?

⊙ has blotted them out,  
I'm happy, I'm glad, I'm free,  
⊙ has blotted them out  
I'll turn to Isa & see -  
Croyet 44 22 & 3  
He's blotted them out &  
now I can shout, for  
that means me

His persistence = desperation - realizes this  
is his only hope. ~~How~~

"They shall find me when I seek me  
w/ all heart." ←

- How strong is your desire?  
How badly do you want Jesus  
to do something for you?

## III Opportunity Is Passing -

passing thru - Suppose Bart had said, "I'll not call on him today, wait till crowd is gone, till no one to hold me back - till it's easy" -  
- last chance & first chance! Jesus was on way to Jerusalem, to die on cross - never pass this way again. His first chance was his last.

Pharaoh's plagues - frogs - mice - "when?"  
Tomorrow! Tomorrow

when go to doctor or dentist don't ask him to extract any tooth - definite

Couldst: Jesus is passing - "what can I do for you? - what is your request - what would you say?"  
Temple, etc said to me, with jealousy don't be general or vague: Be specific

- Jesus of Naz. is passing by, but he will stop for you if you ask him

He stopped for Bart, he'll stop for you

Intro: legend - wryman during span of  
earthly years, given special 5 min.

It is the time when the tide rises & the  
Freaks sweep most surely toward the  
strand. To take the tide at the  
crest is to be borne to safety.

To hesitate is to lose the only current  
which can carry the soul to its  
rightful destination.

- Pilate

- Thief on Cross

we would call this type golden egg.
