

Intro to Lordship X - the Jesus Issue

Jesus + wants everyone - but on a certain term condition He has never lowered, or compromised or changed that term = unconditional surrender to His Lordship!

The issue is not - "will I talk? attend church, forgive - love my black brother" = the issue is - Is Jesus Lord?

It is true that political parties, lodges, etc demand & get more loyalty from their followers than does Jesus X. Can a person possess in D.T. who doesn't give of to Jesus ~~at~~ at the least, the honor & homage He gives to these?

Do you not know what Baptism symbolizes = not just the death of X - whoever heard of a man being buried for another - It symbolizes your death. You're dead; you have no life, no will, no say - so, etc -

Children issue isn't do my parents understand me = Is Jesus Lord  
wife respect & obey husband = unth. = " " ?  
husband love your wife = " " ?  
employee = give a fair days work = " " ?  
school child = " " ?  
citizen - government - fair & honest = Is Jesus Lord?

~~John~~  
Reason so much demon activity in N.T. times was  
because of the presence of Jesus on the earth. And  
anytime, anywhere Jesus is working, etc, there will  
be increased demon activity, whether both personally  
in the life or corporately in the church.
