

- 1 - The storm is coming
- 2 - In the house durable - storm - worthy  
all have to endure the same storming life, the way in which we emerge is different.

arrested by the fact that the Bible has (from in particular)  
so much to say about self-deception

x here is trying to open our eyes to this danger.

- "Many" = not a few, but many

I The Storm = depicted in vs 21-23 - the day of judgment -- Jesus the judge = ~~the~~ decision of final destiny made by us jury of peer - trial w/out jury

Φ has committed the power to judge to X - Jno 5:27

- we get our word Crisis from judgment

- 1 - Its severity = storm - "from whose you ... phd." <sup>Crisis</sup>
- 2 - Its surprise = never knew you
- 3 - Its sentence

II The Houses

- Every man is building a shelter from that storm = a plea -

- 1 - Identical in looks the life = vs 21-23
- 2 - Identical in location = same storm
- 3 - great was the fall of it - not just fell - but precipitated!! vs 23 = "Depart from me." Def of Hell

Never knew = they weren't once known + men forgotten, but had never entered into a saving knowledge of X.

III The Foundation

to "Do the will of my Father in heaven" Luke 11:22

Lip-service to X is Lordship  
you say, "not saved by works" - no, Jesus has just said vs 22 that works don't save - So doing the Father's will is not merely religion or doing things: it is ~~not~~ action, but attitude of obedience -  
- Submission, bowing the knee - Being brought under control  
I'm sure you do not want to be put in control against O's will.
