Scrutiny of King

Matt 22:10-14

1 - Grace not only a gift but responsibility.
A man can't go on living the life he lived before he met X.

— Door open not that the sinner may come & remain a sinner, but sinner may come & become a saint.

2 - The way a man comes to anything demonstrates the spirit in which he comes.

— a matter of respect or tidy up for friends — not show. Esteem of friend.

— Parable has nothing to do with clothes we wear to church, but spirit in which we come.

Too often come with no preparation at all.
