

He could have chosen any mode of existence,
but chose one where he would suffer & die.

The price he paid to glorify Θ

I - His Pre-Existence -

- Being = originally
- 1 - in the form of Θ - nature
- 2 - Equality w/ Θ - relationship

II - His Incarnation

- 1 - Emptied Himself
 - ① servant ② man
- 2 - Humbled Himself
 - ① death ② cross = unto death
 - ③ humiliation meant death

you haven't
agreed w/ Θ - you're
"Why is lord?"

III - His Exaltation =

By His ultimate Θ
sacrifice "X is lord" &
confess is to say
the same thing -
agree

- 1 - result of his sacrifice
- 2 - absolute = unqualified & universal.

No matter what else you may do or accomplish, Θ
just glorifies in you till you acknowledge X as lord

Just the glory that w/ glorify

Θ = confessing Jesus X as lord - &

all will do it - Θ will see to it -
why is Θ so zealous for this: because of the

- 1 - Exaltation he surrendered
- 2 - Humiliation he accepted
- 3 - Crucifixion he endured.
