

limited to those who pray but to those who pray,  
No limit Good = intrinsically good,  
Not necessarily  
of course good. Heaven  
storehouse

### I Continually

1. Perpetual - habit, life - everyday - daily  
broad " - not weekly bread, monthly, but daily  
Some have experience about as exciting as 3 day  
old bread because that's their prayer life

Practical - little things - bread, eggs, fish  
the staple of that day's life  
Keep on asking, keep on receiving  
Quality of faith

2. Persistent - evidence of faith - endurance  
expression of fervor - intensity, desire  
only one for

Self - Antonio in FBC - Bossier City, Louisiana present

### II Confidently

2. Nature of God =  
Father - His nature to  
give = not begging a  
reluctant God.

1. Need of man = define the need  
or make needs define the need  
Isaiah 1:6 - "We can't see our  
iniquity; we shall  
say, 'We are righteous, we shall  
not be rebuked.'  
God opens his hand &  
satisfies desire of every  
living creature."

### III Inconsistently = "I want good from father, do good to others. I the word is "Do" not "Don't"
