

Praying in the Spirit

1 - Difference between "praying in the spirit in 1 Cor 14" + Praying in the Spirit -

2 - thru the Spirit we have access -

Eph 2:18 - He sits us thru = He appropriates what Jesus made available = Jesus gave us all things & it is the ministry of the Spirit to make these "all things" (Rom 8:32) experiential.

- He makes it effective.

3 - "If it be thy will" is never a prayer of faith.

4 - The Holy Spirit provides everything you need to know in order to pray - the desire, the faith, the petition, etc - overcoming difficulties.

Def of Praying in the Spirit = Prayer that is initiated, energized, guided & sustained by the Spirit.
