

Psalm 13: 21-24 into easiest thing is to take slides - just act instinctively - not prophet - but like an animal - 20-  
dudley, when he hit water = test your reactions - 95 leader  
to learn wrong than right (piano, golf) -

- Same w/ spiritual eye - the Prodigal Son = how to get back. The Psalmists experience → fall & climb

- not 2<sup>nd</sup> nature, but first nature (recovery of a saint of a heart, agitated = allergy)  
v. 23 = the turning point

Why do you have men forsaken me? nevertheless = make a difference  
I. Remained in D's Presence = 23B, 23

"Before thee -" Gen 28:16 - just = spiritual dullness  
Psa 139 → corrupts life if ignorant & moral failure

1. a Convicting Word = this was what broke his heart, he'd been doing all these things in D's presence -  
- this was first step in way back.

2. a Comforting, convicting Word = "yet, in spite of, I'm still in thy presence - D hasn't flouted him out - didn't receive fate deserved = almost incredible"

3. Prodigal Son = "no more worthy - Son" - yet, AM  
"if I believed that I would sin all I want to." - arent you?  
→ Pledge, D's presence, not our hearts  
"but D's hold."

II. Restrained By D's Power = holden m.

to hold fast, to gain (become in a hold) to become possessor  
1- when I was going down, you were there, pulled me back -

"almost gone - well-nigh - D steadied him, took a grip  
Psa 37:29 - renewing of D not due to his hold but put  
D's hold on = more hold holden

2- Psm .1 - "I gave them up" D withdrew his restraining hand - II Thess 2 - believe.

3- marion wares - "almost retained legs - D's hand"

3. nothing happens by chance = know this: at first moment D is trying to bring you back.

III. Restored to D's Plan = guide -- counsel.

1- Guide = lead faith, care = not in prescribes, is prescriptive - not only D's, He's the medicine - leads by suggesting,

2- sent Nathan to David puts it into our impression, hearts  
Psa 23: "He restrain my soul."

IV. Received into D's Paradise = "afterward"

1- Received = take - used by Elizabeth & Eve

2- to glory = "w/ glory & honor"
