

What is Revival? - Ps 85 - when: in year 1970, I sent Revival, Feb 71 - that
the work, & is incomplete = what now "Barry began in the first on with the
work perfect by the flesh?" Prayer for this Week - for our Nation National
David faced a similar situation - vs 1-3 = fast revival vs 4, 5 = Crises
Present circumstances. What is solution? vs 6 = Revival = O's Cure-all,
Hosanna - Revival us again - Jesus in John 4, 7 = ~~and~~ always points men
to Himself -

The Great Revival that precedes return of Jesus - Acts 4: 19-21 = O's
3 point program 1. Repentance 2. Revival 3. Return

The Latter Rain - James 5: 7, 8 = we can expect: Fact that O has started
work is guarantee He'll
finish it.

I. Revival is a work of O - "Man" - Emphatic position: Evangelism is
with Church done for O - revival is something O does for Church = O must
do something for us before we can do anything for him: Man, etc falls into backgam
& O takes Center-stage

1- Supernatural work = NOT like pushing a button - can't be worked up
O set the time (2) O takes the initiative (3) mysterious (4) Sudden
Revival = Heb. "guchen" = only O can guchen = Breathe life into Adam
Ezek 37: 7-8 - NO life: 9, 10 = Breatheth O Dry Bone

2- Supernatural work = stamp of O on it = can't be explained in
human terms = O's overwhelming presence: Revival causes the melting
world to acts 2: 12 = "amazed & perplexed" =

Revival is not a step forward - but backward! Sets the church back
2, 100 yrs. makes us normal =

Settling means ordinary - the Supernatural becomes natural

God Completing His work

I. Revival is a work of O in His People - vs 6 "us" - "My People"
The key is O's people II Cham 7: 14 = O primarily concerned w/ us - nothing
changes

1- work of Righteousness = if there is no repentance & return
to Holy Living, there is no revival! - Jesus movement w/
the clinging garments of wood = a Break w/ Sin
Right w/ O & Man

2. Rejoicing = "In Thee" - True sign of godliness is lack of Joy
in spiritual things = frustrate

O is the end, goal of revival = Rejoice in O, not things =
appetite for things of O = if you'd rather - - than pray, read
Bible = then you need revival = to avoid spiritual encounter
rather out of ear than over
