

Intro our revival 1920, 1971 - but incomplete - what are we to do now  
- next step - "Having begun in the Spirit are we to be made perfect  
in the flesh?"  
David faced a similar situation.

Revival is presented as the Divine Cure - all - Answer; their bondage,  
Darky Day, Deceit, etc will be relieved by & will Revive them again.  
Job. Jesus in John?

Intro - J. Edwin Orr rebuking me for using word  
"Revival" to describe meeting - "Revival every Sat," into.  
"Revival every mtg except Saturday."

I - Revival is a work of God - "Thou" emphatic  
we are reason-conscious, etc but not G-conscious

1- Sovereign work = not like pushing a button = can't be worked up

- ⊙ Takes the initiative
- ⊙ Timing - Sudden

Swedlen = P. 61-63 = Wallis

2- Supernatural work = G's overwhelming Presence P. 67, 68 - Wallis

Revival crosses the ordinary world to Acts 2:12 - "all amazed - what meant this?"  
- brings a temporary return to apostolic Christianity - makes 20th C. kind of 1st C. makes  
us normal - revival is simply G's way of making us normal Christians.

→ contrast Renewal

3- Saving work = Revival is a strategic attack by G upon the  
strongholds of Satan.

⊙ For us - vs 7

⊙ For others - vs 13 =

## II. Revival is a work of God in His People

1- Righteousness

2 Rejoicing = our laziness after

3- Reaping - vs 12 John 15 = Pruning

III - a work of God in answer to prayer  
asking & to complete what He has started

1 - ~~Cleansed Praying~~

Intercession is spiritual defence of what is,  
in the name of what I have promised.

(See Wink in CTT)

Prayer that looks back

Prayer that longs for  
fulfillment

Prayer that listens  
to God's voice

2 - Confident Praying vs 8/10

3 - It is prayer listens, as well as speaks  
concerned, compassionate - long to see &  
finish His work.

End This message w/ III - Answer to Prayer  
Next message (Act 4) show what happens  
when the Church prays.

The Answered Prayer - The Revived Church -

1 - Salvation - wholeness, fullness, enrichment of life

2 - Glory - the manifest presence of God

3 - Harmony between Heaven & earth

Revival result, manifestation = heaven & earth so close that it's  
path becomes the way - & all we do has righteousness  
stamped upon it

I- a work of D - "Man" emphatic

1- Sovereign

2- Supernatural
