

The way of D

Ps 23

I. In The Sanctuary = Ex 33:14 -

D's answer - "My Presence...."

D seeks to get us into His presence -

To deal personally w/ D - directly

Direct dealing w/ D =

= going to counselor = not necessary  
to deal directly w/ D.

II In The Sea = In Sanctuary, all is  
lit, clear - Sea is Trackless, a  
mystery, darkness = it is in the Trackless  
& trackless sea y Trouble that we  
come to Trust -

in sea, no path, no landmark - no  
previous ship has left its path - The  
sea is as trackless as tho no ship  
had ever passed this way -  
- others can't help w/ advice
