

II - The Atomic Missions Faith - m 3, 5

1 - The Atomic Bombers to Q - no 9 - whether child with goes to Father every 5
trip in time of trouble -

2 - The Atomic Defeat - m 16, 17 - I will bring to nothing our plans - will ~~fail~~ fail,
& will see to it, if we miss our own faith.

III - The Solution to Missions Faith = 115

1 - Return = from where? Egypt - whether rival Q = reject Prot = no, had gone
away from him in their lives, and must come back to him in faith.

2 - Rest = how this return is accomplished = they were busy sending messengers,
returning, planning - they were active, busy being occupied in the task of
trying to save themselves = come from human activity & rest upon
the grace of Q, the Rest of Faith.
