

Intro: X's last word to
Churches. Revelation, different, direct.
"In the midst." "I know"

These are to us -

3 - Reasons -

1. Seven = fulness, completeness

2. Close = Churches

3 - Book of Prophecy - for us

to 5 of these 7 to say Repent -

what calls for repentance

↑ Sun barrel

(How much can I do?)

I- Lovelessness - Can anything be wrong -
what is first love - expression - not could be calculated

1- Left = sec. of marriage gone cold - outward

2- no emotion, no enthusiasm, no zeal -
- Thess. works of faith, labor, love

3- Left = sent away with shell but no pearl

4- Ephesus prunes activity without
love calls for repentance

5- what if one eliminated everything,
not done for love - Deem, S.S. class -

"where do the blessed I knew
when first I saw the Lord"

not stingy - Don't have to beg, you -

II. Safety = Pergamos
1 - not the church but some in the church held false doctrine - But it tells the church to repent.

2. Balaam: corrupted Israel - since people & can do anything, tried to make most of both worlds - wanted to die death of righteous but didn't want to live life of righteous.

3 - They worldliness were trying to be broadminded, tolerant -

4. Fornication - no use acts, as true this didn't exist -

5 - Church allowed situation to exist

6 - Can lose life without operation

Corinth

Repent because no discipline

IV - Lifelessness

- 1- Dead but didn't know it. Loved ^{Samsa} makes a poor coroner.
- 2- Proxy death = works not perfect, fulfilled = prayers not answered
Fruitlessness as sign of death

IV - Lukewarmness

cold = believe nothing

nothing good about this Church -

- 1- Lukewarm = not hot or cold - Indifference
Just plain didn't care.
- 2- worst traitor, worst form of blasphemy
Evangelical but not evangelistic - Conversion
does not affect life

Believe in sin, but not hate it.

But, sinners, but left not a finger to ruin.

Some people never realize they need to come to altar.

- 3- Unaware of it - visit the church - they show you plant - asking they need a revival, etc - No, we don't need a thing.
- 4- X outside = If folks need don't use Heir.
