

Revelation of God AIDS

v. 18

Power + nature → all attributes not
in word Power

together:

God gave men awareness both of

The goodness + the greatness of God

1- This is clearly seen in the creation
of the world - "are clearly seen"

2- Been seen since creation because
they are perceived thru things that
are made = they are observable
to the eye, to man's senses = "no need
to go out of body to see God"

3- These tokens of power + divinity
leave them w/out excuse.

Rejection - 1- Deliberate v. 21.

2- Degraded v. 21

became vain in their thinking - a
steady degeneration of reason to
unreasonable.

1.23 - Make in their own image =
Old Greek background = they
were the first to make their
gods in their own image.
