

Rom 6: 11-14 - the thing that makes it click = victory: our part
nothing on just one side

Key word is yield - yield, not in order to become, but because we
are - not giving ourselves to D, but yielding to D and what is already his -
this means he has a right to demand anything we = all demands are
right - the right of ownership when program at fault, stop showing

I- Surrender to a Person - "unto D - not to preacher,
church, idea, program, cause, ministry

Why of my being interviewed on radio - what motivated me
to preach - what form did the call take? A concern for
fellow men? A God something to say? - neither of these
occurred to me = but I was seized by Him

1- Inclusive - "yourselves", first, then your members

2 Ex 8 - "they first gave themselves" men you don't have
to worry about time, talent, to the, etc.

2- Exclusive = for D & D alone - this exclusive property it
means that you are no longer available to be used for anything
but him. He has exclusive rights - announcement at

World Series telecast = sole property of NBC & can't use it for
anything else = This is essence of holiness: Tithes, Temple, Day =
for D's exclusive use

3- Decisive = aorist: definite, immediate - irrevocable,
like marriage vows

two words hold the secret to life of victory - it is as useless & unscriptural to take
a purely detached, intellectual, theological interest
in doctrine only as it is not to be interested in
doctrine at all.

→ v14 - Sin shall not have dominion over you! who says! look at Romans &
say that!
Intro: we must respond to that truth, doctrine = two responses -
faith & yielding = you'll find this two fold emphasis thru out
Romans - 6:11 - now the practical application = how are we
to no longer continue in sin?

Intro: Bible Doctrine is all you need - Vanhook's
statement - don't attend these X-ran the conferences -
but is truth enough? The truth shall make you free -
John 8: 32 - but vs 31 and - truth is not information -
the spark that ignites the fuel.

II. Surrendered for a Purpose vs 13

1- alive to D = vs 11 - a two-fold meaning: negative & positive: most striking deals of w/ the negative -

2- available to D

① not as ornaments

② but as instruments = weapons = our members = all not

is us, available to Him

a - as servants b - servants of D c - servants of righteousness

d - servants of righteousness unto holiness

Phelps - "as weapons of God for His own purpose" - 2d - admiral Nelson at Trafalgar - "First, your sword, then your hand."

III - Surrendered at a Nail -

1- Death to Self = "Nail" - live like it, count on it, be regulated by it - my ambition, my will, my choices must die: ^{Secret} success in every realm: Education, athletics, business, marriage, children.

2- Deliverance from Sin - vs 14

He does not say sin is dead = it is very much alive - He says it is we who are dead to sin.

How are we to refuse to let sin reign? - By refusing it any opportunity to do so.
