

How not to be saved
Rom 9:10 it is something good that
prevents Jews from being saved.
Human responsibility = O for Sat,
man for Sat = man to blame

Jews want
O in their
debt - Better
content to
be in O's
debt

Why? = By works, not faith =
- Couldn't believe that their prayers,
etc gave them no advantage over
Gentile - "I'll do it my way."

Faith says, "Ind, I'll do it your
way." - what is O's way?

way of faith - what does faith
involve? - ingredients - spell it out

Divinely
prepared

← Convinced of lostness = Jews thought advantage
under best conditions

I - Commit self to X = Center of Authority
- Formulas to work Master = Home, Business, School, Government

II - Claiming = Treasure in field - lay hold of

III - Confessing - infallible sign of
faith
(Cry of a newborn baby is evidence of life)

Faith incomplete without Confess = uniform
road that leads
nowhere - rain
that doesn't fall

- make public
open door

Mouth confess
what heart
believes

Why = leads others to X

↓ - establish their own
- set up own
a tower of Babel

Faith says, "your way."

Salvation, an immediate possibility
And - if Gentiles can be saved, anyone can
