

Memo

"unto O" = for his pleasure, from
his approval
How often it is we are living unto
men? - for their approval, following their
due.

will = alive - we are not command to be
dead + alive = we already are, but let
no count on that fact - appreciate it &
appropriate it -

alive in x = our union w/ x = this is the
source, strength + power, living: united w/ x.
= in daily experience.

Alive unto O

1. a new relationship to O
2. open to all the blessings of O
3. special objects of O's concern

Pardner's son
