

Spiritual Warfare & Prayer

Rom 15:31 - strive together w/ me in your prayer to I left
for me "

used of contending in the games, & implies strenuous effort.

- to struggle (contend) in company w/.

Col. 4:12 - "laboring earnestly for you in his prayers..."

Paul tells us to make all his preparation & when we've done all this, what does he tell us to do - PRAY -

Surprise - you mean after I put in all this heavy work, made all this preparation, sharpened my sword, all I'm to do is PRAY - it takes all that to pray

Ready for Battle = where's the war = on your knees!

the battles are won in prayer =

Eg. 17 = Ark lifted up

Jesus in Gethsemane = Jesus won the battle in prayer.

It takes all that just to get ready to pray = & notice it is primarily intercession to which he refers.

we are to pray Revoly, Reenforced

we are to pray Persistently
