

The death of Christ is the most remarkable event in history....

1. IT WAS PROPHESED CENTURIES BEFORE
 - (1) He would be a person of high dignity.
 - (2) He would perform unbelievable miracles
 - (3) He would be despised and rejected of men.
 - (4) Die a shameful death.

2. THE SUPERNATURAL PHENOMENA WHICH ATTENDED HIS DEATH SEPARATES IT FROM ALL OTHERS:
 - (1) The sun darkened at midday
 - (2) The earth went into convulsions
 - (3) Graves opened
 - (4) Veil of temple rent from top to bottom.

3. These proclaimed that He who was hanging on the cross was no ordinary sufferer.

3. THE THINGS THAT FOLLOWED HIS DEATH WERE SUPERNATURAL.
 - (1) The Resurrection
 - (2) The Ascension
 - (3) The descent of the Spirit
 - (4) Lives changed.
 - (5) His Church has survived wars, persecution, skeptics, etc.

4. Our Salvation was wrought out on that cross.
